

**E-MU EMULATOR SERIES CD-ROM SOUND LIBRARY**

## Maximum Impact Sound Effects

This 560 megabyte CD-ROM with 75 banks contains never before published sounds in Emulator III and Samplecell™ format.

Recorded to DAT with Sonic Studios Dimensional Stereo Microphones™ and digital transferred to the EIIIxp. Additional processing and mixing was done in the EIIIx to ensure consistent quality throughout. Banks are offered in 8Mb loads or less. Every sample is in stereo at the industry standard 44.1k sample rate.

Categories Include: aviation, automobiles, marine, industry, household, animals, people, water, weather, interior and exterior ambiances and a few off the wall sounds you won't find anywhere else. A DAT Demo is available for \$30.00 and can be credited toward purchase. (Samplecell™ version Macintosh AIFF format)  
\$199.00 U.S.

This unique collection of sounds cover the following categories:

- Aviation - Military Jets, Airline Jets, Lear Jet, Warbirds, Prop Planes, Helicopters
